**APPLICATION OF FREEPORT-
MCMORAN COPPER & GOLD INC.
AND ARIZONANS FOR ELECTRIC
CHOICE AND COMPETITION FOR
LEAVE TO INTERVENE**

Pursuant to A.A.C. R14-3-105, Freeport-McMoRan Copper & Gold, Inc. ("Freeport-McMoRan") and Arizonans for Electric Choice and Competition ("AECC") hereby apply to the Arizona Corporation Commission (the "Commission") for an Order granting Freeport-McMoRan and AECC leave to intervene in the above-captioned proceeding.

Freeport-McMoRan maintains facilities and operations within the State of Arizona, which receive electric services from electric utilities who provide services in Arizona. As a large industrial user of electric services, Freeport-McMoRan will be directly and substantially affected by the issues to be addressed in this proceeding.

Freeport-McMoRan's participation will not broaden the issues nor unduly delay the proceeding, except upon leave of the Commission first had and received. For the reasons outlined above, Freeport-McMoRan respectfully requests that the Commission grant this

1 Application for Leave to Intervene in this matter.

2 AECC is a coalition of energy consumers which has members who are customers
3 of electric services from electric utilities who provide services in Arizona. The
4 Commission should grant AECC leave to intervene in this matter because those members
5 of AECC who are customers of electric utilities will be directly and substantially affected
6 by the issues to be addressed in this proceeding. AECC's participation will not broaden
7 the issues nor unduly delay the proceeding, except upon leave of the Commission first had
8 and received. For the reasons outlined above, AECC respectfully requests that the
9 Commission grant this Application for Leave to Intervene in this matter.

10 Freeport-McMoRan and AECC request that all communications in connection with
11 the above captioned proceeding be directed to:
